ANNUAL REPORT 2001 - 2002

SEEDS is entering into its prestigious 7th year of Social Service. In this year we have attained important aims regarding women development. Women empowerment is our main goal and we achieve the same through some significant works. In this year we are involving in the following fields.

1) Self Help Group (SHG) :

We have organised women under one umbrella of SEEDS. Women belonging to 25 villages in Aruppukottai and Thiruchuli blocks of Virudhunagar District. This year we formed 25 new Self Help Group (SHG). We have classified them into homogeneous groups having same trades and works. More than 1150 women are being members in these groups. Total savings amount of these groups is nearly Rs. 12,00,000/-

Out of our 70 groups, 23 groups are having fully SC women members who were downtrodden for a long period. This poor people had no way to survive better. After becoming our SHG members they are stepping into a new and prosperous future. We have served these groups with the following financial linkages with various Government Departments, Banks etc., The total external loan amount exceeds Rs. 25 lakhs in this year.

"Leadership training to SHG leaders sponsored by NABARD"

2) Vocational Training Programme (VTP) :

Our VTP centre successfully completed the tailoring course in the month of December 2001. All the candidates attended the government exam at Madurai. We expect the results for the above examination. In this year Central Social Welfare Board has awarded SEEDS by renewing the above VTP programme for the subject of Readymade Garments.

3) Health :

A) *Health camps*

We have conducted many health meeting in our service area. In this meeting we impact education to weaker sections especially women about the family planning mother care, child care, Reproductive methods, Hygiene and general health.

B) *Free eye camps*

We have organising one free eye camps one at Sempatti. The teams of St, Luca eye Hospital virudhunagar and district Blindness department were participated. Totally about 236 patients were checked up in these programme among this 19 patients were selected for free cataract surgery.

"Health Camp at Puliyooran Villages"

C) Free Siddha Camps

SEEDS conducted Two Free Siddha Camps at Aladipatti and Ramasamynagar. In this camps the participants where awared with the importance of our Ancient and Traditional Health care system SIDDHA. The people where provided with free herbals, herbal medicines, cyrubs. Totaly 700 people benefitted by this camps.

4) Consumer service :

Now a days the Rural people are not awarted about consumer rights consumer protection and other consumer pints. So we tried to give consumer awarness in this programmes over 500 people were participated we conducted this programmes in sempatti, puliyuron, Athipatti villages. The chairman and other office boards of consumer protection council, Aruppukottai Taluk took part in this programmes.

5) Service to Handicapped and other disabled persons :

Our organisations gives a friendly hand to handicapped and disabled persons like Blind Leprosy.

We helped them to receive Identity cards from District handicapped officer, Ration cards from Taluk supply officer and OAP pension from Taluk office. The achivement are as follows.

1)Identification cards	-	43persons
2)Ration cards	-	8
3)OAP persons	-	9
